### POSTAL RATES.

First-class Matter—Letters, matter which is wholly or partly in writing, printed matter or other matter containing a written inscription in the nature of a personal correspondence, drawings, plans, designs, and matter which is sealed against inspection, are alone by their nature and the intent of the law first-class matter, and subject to the postage rate of two cents for each ounce or fraction thereof.

On local or drop letters, two cents for each ounce or fraction thereof.

Third-class Matter—Circulars and other matter wholly in print (except books), corrected proof sheets and manuscript copy accompanying printers' proof sheets, valentines, hand-bills, posters, chromo lithographs, engravings, heliotypes, hectograph prints, lithographs, photographic and stereoscopic views, with the title written thereon, printed blanks, tickets and business cards are rated as third-class matter, and subject to the rate of one cent for every two ounces or fractional part thereof. Transient newspapers and periodical publications, one cent for each four ounces or fractional part thereof.

Registered Matter—First and third-class matter may be registered at an expense of ten cents additional on each package, in addition to the proper postage

Special Delivery—A "special delivery" stamp of the face valuation of ten cents, attached to letters or articles of all classes of mail matter, in addition to the regular postage, or stamps of any denomination, of the value of ten cents, with the words "special delivery" written on the letter or package, will insure immediate delivery at any post office in the United States.

Insular possessions, as Porto Rico, Philippine Islands and Hawaii, require same postage as in United States.

## PARCEL POST REGULATIONS.

### UNITS OF AREA.

The United State and its several Territories and Possessions, excepting the Philippine Islands shall be divided into units of area thirty minutes square, identical with a quarter of the area formed by the intersecting parallels of latitude and meridians of longitude, and such units of area shall be the basis of eight postal zones as follows:

### ZONES.

The first zone shall include all territory within an area having a mean radial distance of approximately fifty miles from the center of any given unit of area.

The second zone shall include all units of area outside the first zone lying in whole or in part within a radius of one hundred and fifty miles.

The third zone within a radius of three hundred miles.

The fourth zone within a radius of six hundred miles.

The fifth zone within a radius of one thousand miles.

The sixth zone within a radius of one thousand four hundred miles.

The seventh zone within a radius of one thousand eight hundred miles.

The eighth zone all units outside of the seventh zone.

## LOCAL DELIVERY

All matter mailed at a city letter carrier office, or at any point within its delivery limits, for delivery by carriers from that office, or on a rural route which starts from that office, is known as local.

## RATES OF POSTAGE.

Parcels weighing four ounces or less, are mailable at the rate of one cent an ounce or fraction of an ounce, regardless of distance. Parcels weighing more than four ounces are mailable at the pound rate shown in the table, a fraction of a pound being considered a full pound. (See Table of Rates.)

The parcel post rate between the United States and the Hawaiian Islands, Alaska, the United States Postal Agency at Shanghai, China, the Canal Zone, and the Philippine Islnds, except parcels weighing less than four ounces, shall be twelve cents for the first pound and twelve cents for each additional pound.

## CANADA, CUBA, MEXICO, PANAMA.

The rate of postage on parcels addressed to Canada, Cuba, Mexico and the Republic of Panama, shall be twelve cents a pound, except parcels weighing four ounces or less, on which the rate shall be one cent an ounce or fraction thereof.

The limit of weight for parcels addressed to Canada and Cuba is four pounds six ounces.

The limit of weight for parcels addressed to the Republic of Panama and certain offices in Mexico is eleven pounds.

## SEEDS, BULBS, ETC.

Seeds, cuttings, bulbs, roots, scions and plants are parcel post matter, the rate of postage on which is one cent for each two ounces or fraction thereof, regardless of distance, on packages weighing eight ounces or less, and on packages over eight ounces the parcel post zone rates apply.

## WHERE MAILABLE.

Parcels must be mailed at post office or branch post office.

## PREPARATION FOR MAILING.

Parcels must be prepared for mailing in such manner that the

contents can be easily examined; except that matter inclosed in boxes to which lids are nailed or screwed may be accepted for mailing, if with reasonable effort the lids can be removed.

Each parcel must bear the name and address of the sender.

The sender may write or print on the package or on a tag or label, marks, letters, numbers, names, or other brief description of the package, and printed matter relating to an article of merchandise which it accompanies is regarded as descriptive of the article and is therefore a permissible inclosure.

Printing on an article of merchandise, or on its wrapper, does not affect its classification.

Order forms, address tags, report forms, letter and bill heads, insurance and legal forms, cards and other similar supplies, regardless of the amount of printing on them, blank check books, receipt books and other books of forms, partially in print, are governed by the classification set forth in the Postal Laws and Regulations.

Invoice or sales slips bearing on their face sides written data relating to the articles contained in the package with which they are inclosed, are regarded as permissible additions to mail with parcel post packages

Bills are not permissible.

## COMMUNICATIONS ATTACHED TO PARCELS.

When it is desired to send a communication with a parcel on which postage at the fourth-class rate has been fully prepaid, the communication may be placed in an envelope fully prepaid at the first-class rate and addressed to correspond with the address on the parcel and then be tied to or otherwse securely attached to the outside of the parcel in such manner as to prevent its separation therefrom and not to interfere with the address on the parcel. The stamps to cover the postage on the parcel must be affixed to the wrapper of the parcel, and those to pay the postage on the communication must be affixed to the envelope of the communication. Parcels to which such communications are attached are treated as fourth-class matter. Only one special-delivery fee is required on such parcels sent as special delivery matter.

## LIMIT OF WEIGHT AND SIZE.

The limit of weight is fifty pounds for local, first and second zones, and twenty pounds outside of second zone. The limit of size is eighty-four inches in length and girth combined.

## PERISHABLE ARTICLES.

Parcels containing perishable articles must be marked "Perishable."

Articles likely to spoil within the time reasonably required for transportation and delivery must not be accepted for mailing.

Butter, lard, and perishable articles such as fish, fresh meats, dressed fowls, vegetables, fruits, berries, and articles of similar nature which decay quickly, when so packed or wrapped as to prevent damage to other mail matter, will be accepted for local delivery, either at the office of mailing or on any rural route starting therefrom. When inclosed in an inner cover and a strong outer cover of wood, metal, heavy corrugated pasteboard, or other suitable material, and wrapped so that nothing can escape from the package, they will be accepted for mailing to all offices to which in the ordinary course of mail they can be sent without spoiling.

Butter, lard, or any admissible greasy or oily substance, when intended for delivery at offices beyond the first zone, must be packed in accordance with postal regulations.

Vegetables and fruits which do not decay quickly will be accepted for mailing to any zone if packed so as to prevent damage to other mail matter.

Eggs will be accepted for local delivery when so packed in a basket or other container as to prevent damage to other mail matter.

Eggs will be accepted for mailing regardless of distance when each egg is wrapped separately and surrounded with excelsior, cotton or other suitable material, and packed in a container made of double corrugated pasteboard, metal, wood or other suitable material, in such manner as to place each egg on its end and to prevent them from striking together or against the side or top of the container, with an outer cover of double corrugated pasteboard, metal, wood or other suitable material, and wrapped so that nothing can escape from the package. All such packages must be labeled "Eggs."

Eggs in parcels weighing more than twenty pounds shall be accepted for mailing to offices in the first and second zones when packed in crates, boxes, buckets or other containers having tight bottoms to prevent the escape of anything from the package and so constructed as properly to protect the contents. Such packages to be marked "Eggs—This side up," and to be transported outside of mail bags.

## FRAGILE.

Fragile articles, such as millinery, toys, musical instruments, etc., and articles consisting wholly or in part of glass, must be securely packed and the parcel stamped or labeled "Fragile."

## LIQUIDS, ETC.

Admissible liquids and oils, pastes, salves, or other articles easily liquefiable, will be accepted for mailing regardless of distance when they conform to Parcel Post Regulations.

## BOOKS.

Books are classed as Parcel Post Matter, on packages weigh-

ing under eight ounces the rate is two ounces for one cent regardless of distance, over eight ounces Parcel Post rates prevail.

## MISCELLANEOUS PRINTED MATTER.

Miscellaneous printed matter, weighing four pounds or less is classed as Third-Class Matter, two ounces for one cent. Weighing over four pounds, is subject to Parcel Post rates and conditions as to size and weight.

## INSURANCE ON PARCELS.

All parcels on which the postage is fully prepaid may be insured against loss in an amount equivalent to its actual value, but not to exceed $100.00. Fees as follows: Value one cent to $5.00, three cents; value $5.00 to $25.00, five cents; value $25.00 to $50.00, ten cents; value $50.00 to $100.00, twenty-five cents. If return receipt is desired parcel must be so marked.

## C. O. D.

The sender of a mailable parcel on which the postage is fully prepaid may have the price of the article and the charges thereon collected from the addressee on payment of a fee of ten cents in stamps affixed, provided the amount to be collected does not exceed $100. Such a parcel will be insured against loss, without additional charge, in an amount equivalent to its actual value, but not to exceed $50.

## REGISTRATION.

Parcel Post packages cannot be registered.

## RATES OF POSTAGE.

Parcels weighing four ounces or less are mailable at the rate of one cent for each ounce or fraction of an ounce, regardless of distance. Parcels weighing more than four ounces are mailable at the pound rates shown in the following table, a fraction of a pound being considered a full pound:

# WILLIAMS' NORWOOD
# STREET AND AVENUE GUIDE
## AND
# DIRECTORY OF HOUSEHOLDERS

(Copyright, 1917, by The Williams Directory Co.)

The following is an alphabetical list of the names of the Streets and Avenues of the city, with a description of where each Street or Avenue is located.

The number of each building on the street is given in numerical order, and opposite the number is placed the name of the householder. In business blocks containing offices, the occupant of each room is shown by number where practicable.

Even numbers appear on the north side of streets running east and west and on the east side of streets running north and south. Odd numbers appear on the south side of streets running east and west and on the west side of streets running north and south.

The names of intersecting streets are given in the order in which they intersect.
